

TORRES DEL PAINE FULL DAY WITH HIKE

WITH HIKE

We will start at a normal time the regular excursion to Torres del Paine, but with the intention to walk to one of the most beautiful viewpoints we can go to from the road. Including the normal sights such as Milodon cave, Salto Grands and Grey Lake, this excursion includes the alternative to take a walk to Los Cuernos viewpoint. It is a fairly flat trail surrounded by vegetation and constantly looking at the massif. It is a suitable trail for any kind of people who regularly walks.
