

# WHALES FULL DAY

A journey through the first Chilean marine park “Francisco Coloane” searching for the majestic humpback whales. An encounter close to the untamed nature, an adventurous day that you will never forget. We will sail through the legendary Magallanes Strait, observing the majesty of the sunrise on Tierra del Fuego. Then, we will pass by Cape Forward, American continent most southern point. Among the fauna, humpback whales, Magallanes penguins, cormorants, skuas, sea lions and elephant seals.
