

CEJAR LAGOON & TEBINQUINCHE

Inside the Salar de Atacama will visit the Cejar lagoon, its waters with high salt content have a large buoyancy effect which makes a bath a relaxing and fun experience, everything is complemented by the beautiful landscape of turquoises waters, volcanoes and the greatness of the Salt Flat. Then we will visit the Ojos del Salar eyes of the Salt Flat, two wells for fresh water in the middle of the desert and finally into the Tebinquinche lagoon we will enjoy an aperitif watching the reflection of the Andes in its waters, along with the whiteness of the salt, the evening will give a show in our eyes, an unforgettable experience.
