

# EL TATIO GEYSER

Our trip to the highlands begins during the early morning hours to finally reach one of the most important geothermal fields in the world, “Geysers del Tatio” surrounded with water emanations and steam, we will enjoy the beauty of the Andes and with this natural stage we will offer you an agreeable breakfast. Then we will visit the “Pozon Rustico” where you will be able to enjoy the thermal waters that the mountain range gives us. Taking the road back to San Pedro de Atacama you will enjoy the beauty of the landscape, native flora and fauna to finally stop at the

village of Machuca, shepherds of llamas place, today this town of adobe, straw and cactus wood House is dedicated to the tourism offering local products such as Andean handcraft, Llama’s meat, Sopapillas and empanadas. As an historical and architectural appeal we will visit the San Santiago Church, patron saint of the town.
