

HOT SPRING HILLS & SAN JOSÉ VOLCANO

A remote, majestic and quiet place at the foot of the Andes Mountains, Baños Colina is located about 104 km from Santiago and at 2.500 meters. These natural pools have temperatures reaching up to 50°C and are arranged as outdoor terraces, by calcareous deposits. Enjoy a relaxing and therapeutic hot springs bath in the Andes after a 3 km hike to the view point of the San Jose Volcano.
