

PANORAMIC CITY TOUR & LOS DOMINICOS TOWN

We invite you to discover the beautiful city located in Valle Central, the interaction of an interesting mixture of the ancient and the modern, the blending between culture and natural spaces, showing our heritage like the Main Square and the Cathedral. You will also visit the Equestrian Club, the amazing San Cristóbal or Santa Lucía Hills (located this one in the biggest urban square in town) and the historical buildings like La Moneda Palace and the Mail Office.

Then you will appreciate the modern business centers in the East side. Once you arrive to Las Condes district, you will be led to Los

Dominicos town, one of the most singular places in Santiago. Then you will have some free time for shopping, appreciate the local Chilean dressing and enjoy your lunch (not included) in some local restaurants.

This area has progressed strongly related to the art growth, that intends to highlight their own creations.
