

FOUR VALLEYS

La Parva

Valle Nevado

Farellones

El Colorado

Let's begin for the "Valle Nevado" (Snowy Valley) his location it's unbeatable, at just 60 km from Santiago, 3.670m above sea level, in the middle of the most spectacular landscapes of the Andes Mountains (Cordillera de los Andes) with abundant sun and snow of high quality.

The second ski center that it's "La Parva". It's located at an approximate height of 2.650 above sea level and has excellent tracks, for every ski knowledge level.

The third ski center is "El Colorado" which belongs to the "Three Valleys"

and has more than 22 tracks. Here was where in 2010 was celebrated the "Freeskiing World Tour", that had like protagonist the chilean ryder Cristóbal Chopo Díaz.

We will finalize the tour at Farellones Park where we can carry out activities like Tubing, Canopy or Chairlift. (Chosen activity included).
