

MENETUÉ HOT SPRINGS

After a 30 minutes transfer from Pucón we will arrive at Menetué Hot Springs, a luxury world of body care and relax where time passes more slowly and you can do it too. The natural Menetué hot springs are rich in mineral salts that relax and rejuvenate and with the option of baths with different temperatures inside or outside. You can be sure to find the perfect balance. And for a true pleasure, why not enjoying a series of spa treatment including massages, sauna, vapor, Finnish sauna, Jacuzzi, thermal mud, wine and honey therapies, chocolate facial treatments, with air

conditioning. Menetué is built according to a local style through a combination of wood and stone and the hotel restaurant is one of the most distinguished and exclusive in the Andes of Patagonia.

IX La Araucanía region
