

# PUCÓN AND VILLARICA CITY TOUR

In Pucón, we will visit LA Poza Natural Reserve where we could observe the local flora and fauna, typical formations from volcanic soil as well as the docks. To continue, we will visit Playa Grande, Pucón main beach with its black volcanic sand. Then, we will go to Plaza de Armas (the city's main square) and we will see Gran Hotel Pucón, we will visit the casino and the artisanal market as well as the city centre. To continue, we will take the coastal road to Villarica. This road borders Villarica lake shores, giving excellent views on this beautiful lake and the local environment. Villarica which means "rich city" takes its name

from the first days of gold mines. In Villarica, we will visit the main public centres, artisanal markets and the other main sites before going back to Pucón to finish the tour.
