

PUERTO MONTT & PUERTO VARAS CITY TOUR

We will start our tour through one of the most beautiful cities, famous as the “Roses City”. Puerto Varas wraps us in an atmosphere which combines German traditions and Chilean culture, emphasizing wooden architecture, gastronomy and handicraft. We will visit Sagrado Corazón de Jesús church as well as Costanera Avenue. Our tour will continue to Puerto Montt, capital of the Lakes Region, city that concentrates the greater fishing and corporate activity. Going through this city located in the shores of the Pacific Ocean will allow us to observe a panoramic view on the bay and Tenglo Island. We will visit

other interesting sites such as its cathedral and the fish & sea food market; this market is picturesque place where one can observe the daily work of fishermen and Angelmó handicraft market that gathers a wide variety of artisanal products made of cobber, wool, wood and lapis lazuli.
