

# VIÑA AQUITANIA

MAIPO VALLEY

Aquitania vineyard is a boutique vineyard on Andes Cordillera foothills in Santiago city in the middle of Maipo Alto valley. It is a vineyard more oriented in the production of high quality wines in limited quantities. We will start the tour with the vineyard's viewpoint where we will embrace a panoramic view on the vines. Then, we will go down to appreciate the vineyards and its state depending on the time of the year. Eventually, we will go through the cellar, the tank room, the barrel room, the storage cellar and the labelling sector. Moreover, we will have the opportunity to

observe wine production complete process that uses modern equipment while conserving artisanal process traditions such as the bottle hand-labelling.
