

# CASABLANCA VALLEY

VIÑAS INDÓMITA Y CASAS DEL BOSQUE

We will start our tour visiting Viña Indomita. We will be welcomed and then will start to walk through the vineyard where we will learn about the winegrowing process. We will also enjoy the panoramic views on Casablanca Valley. In the modern cellar, we will go through the impressive tank room and continue to the barrel room. The tour will finalize with wine tasting. Then, we will have time to enjoy lunch in the vineyard (not included). The visit continues to Viña Casas del Bosque, a boutique vineyard where the tourist could go through the cellar, the barrel room and taste some wine.
