

# COLCHAGUA VALLEY

VIÑAS VIU MANENT, MONTES Y MUSEO DE COLCHAGUA

We will start a magical journey to the Colchagua Valley. A trip of almost 2.5 hours to find this beautiful valley, renowned for its beautiful, interesting landscapes and its historical importance about wine. Our first stop will be in Viña Montes where we will visit its cellars, and the wine shop & souvenirs. We will try its famous wines and then we move to enjoy a lunch (not included) in Santa Cruz city. Then we will have time to know the Colchagua Museum, where an exhibition rich range of topics will be surprise to us by its historical importance. Later,

we will move to Viña Viu Manent, where we will know this place in ancient horse-drawn carriages while our guide tell us about main characteristics of this place. Here, we will try wine made in tank and we will know the barrel room.
