

SANTA RITA

TOUR PREMIUM

We will make a tour through the history of Chile and its viticulture. We will start in the vineyards, a garden of different varieties will allow us to get to know more about the distinct grapevines and its characteristics. We will get to know more about the whole process of the wine elaboration, we will go through the historic cellars including "Bodega de los 120 patriotas" as well as a visit of its park and its facilities, chapel, roman baths and the hotel's façade. We will finish the tour with a wine tasting of premium wines accompanied with cheese and dried fruits.
