

VIÑA MATETIC / EQ

CASABLANCA VALLEY

Matetic Vineyard is located in Fundo Rosario, 120km far from Santiago. The northern part of the property is located in Casablanca Valley and the southern part in San Antonio Valley. This cellar is the ideal scenario to learn about wine process and organic agriculture, the main characteristics of Matetic vineyard. The visit will start in the cellar where we will be received by a bilingual guide who will invite us through the cellar where he will explain the fermentation process, the bottling and the aged wine, enjoying the panoramic views on the vineyard. The tour will finalize with a wine tasting in the underground tasting room where we could buy wine and accessories in the wine shop. The visitor will taste 4 ultra-premium wines from the EQ line: Sauvignon Blanc Coastal, Chardonnay, Pinot Noir and Syrah.
