

VIÑA UNDURRAGA

MAIPO VALLEY

We will visit one of the most important sectors of the central zone of Maipo valley, 45 minutes far from Santiago, Viña Undurraga where its 5 generations history imbues the place. We will go through its family park, its modern fermentation process, and its romantic French style cellars designed by the famous landscaper Pierre Dubois. The visit includes a tasting of 4 different wines meticulously selected by the vineyard oenologist. At the end of the tour, every passenger will receive a glass of wine as a souvenir.
