### **Day 2 / Santiago – FD Ski day in Valle Nevado**

We will get to the highest point of the Andes Mountain and enjoy the amazing experience of skiing in Valle Nevado. We can easily enjoy the snow since this ski center has the most secure facilities, also counts on exclusive sectors, one for the beginners and other where we can practice our ski abilities.

Valle Nevado is the most known ski center in Chile and one of the most important of South America. Every year we are chosen by tourists from all over the world who want to simply enjoy the view or practice all the activities.

We start from the hotel early in the morning. Valle Nevado is located 65 km away of Santiago. On the way we can stop at a store to rent ski clothing if you need. Then we will be able to appreciate the transition between the city and the mountain. When we get there, we can start to enjoy all the different activities.

There is a restaurant where you can eat lunch (not included), and then you can ski all afternoon or just simply enjoy the panoramic view from the heights. Return to the selected hotel in Santiago (accommodation included).

### **Day 3 / Santiago – FD Three valleys panoramic**

We start from the hotel at a previously appointment time to the Three Valleys, which is a set of high mountain villages that shares its ski centers. The trip to the mountains lasts approximately 2 hours. On the way we can stop at a store to rent ski clothing if you need (on winter season) or trekking shoes (on summer season).

Our first stop is La Parva ski center, located at 2.750 meters high and considered one of the most exclusive ski centers of the region. Here we will have some time to appreciate the place in order to continue with the trip.

Our second stop is El Colorado ski center. Here is where in 2010 took place the Freeskiing World Tour, with the Chilean rider Cristóbal Chopo Díaz as the main guest. Nowadays, counts on 112 ski runs and 1100 hectares of skiable surface, reason which makes it considered one of the best ski centers of South America.

Our last stop is Farellones Snow Park. This ski center is focused on those people who want to know the snow for the first time and enjoy an excellent service. The activities you can enjoy here are Tubing, Canopy or ski lift (Entrance fee to Farellones Park, lunch, ski clothes, ski equipment, ski lessons not included). Return to the selected hotel (accommodation included).

### **Day 4 / Santiago**

Free day for optional activities. Accommodation in Santiago (included).

**Day 5 / Santiago – Out**
