

LA PARVA SKI DAY

ADVANCED

Enclaset Deep in the Andes Mountains, at 2.750 meters high and less than an hour of Santiago, is where La Parva is found. A unique, exclusive and very similar to a snow village, winter resort. Every year hundred of tourists choose this place because of it's perfectly smooth rink. We receive from beginners to world-class competitors. La Parva is chosen as a training center by international teams such as United States, France, Slovakia, between others; thanks to it's alpine skiing pistes approved by the FIS. We start from the hotel early in the

morning. Our first stop is at a store where we can rent ski clothing in order to enjoy all the activities. Then we will continue our path to La Parva for about an hour and a half. Once we get there we can use our ticket which has access to all the cablecars and ski tracks

***INCLUSIONS:** Hotel pick up and drop off / general ski ticket / rental of skiing equipment / 2 hours of ski lessons.
